7me

7me App

What's new?

To make the user experience clearer and more intuitive, the 7me app has undergone some changes to its menu structure.
The **main menu** now allows users to:

- ➔ View their profile (photo and personal information)
- ➔ Edit their personal details
- ➔ Access news from their local church, conference, and union
- ➔ Access the new **Giving** button

The **Church** menu remains largely the same as before, but the **Giving** option has been removed from this section, as it now has its own dedicated menu.

The new **Giving** menu has been introduced to provide a simpler and more intuitive donation experience, making it much easier for users to find and complete the giving process.
We believe these changes make the navigation more logical and improve the overall user experience.
